

CAROLINE BOUDREAUX

Founder - Miracle Foundation

Caroline Boudreaux is the founder of Miracle Foundation, a top-rated non-profit empowering orphans and vulnerable children to reach their full potential. She is also a leader in the movement to reunite children with their families, a revolution that is growing worldwide.

Her latest initiative, FosterShare™, is a phone and desktop app that prevents foster children from bouncing from home to home, decreases the drop-out rate of foster parents, and brings greater stability to the foster care ecosystem.

As an authority in the social entrepreneurship field, Caroline has received a variety of awards including: The Hope Award, The Impact Award, and The United Nations Humanitarian Award. She has spoken for the World Economic Forum, Women's Leadership Forum, Young Presidents Organization, UBS Philanthropy Day, and TED X to name just a few.

Caroline is a Young Global Leader with the World Economic Forum and has completed executive programs at Harvard's Kennedy School of Government, Yale's Jackson Institute for Diplomacy, India School of Business, and Oxford.

SPEAKING TOPICS

REIMAGINING PHILANTHROPY

Social Impact vs. Charity

Everyone is talking about it, but how do you actually reunite children safely with families? It's not enough just to close orphanages. As Miracle Foundation leads the way home, this presentation explains how it's being done and why now is the time.

- o Step by step process to reintegrate children with families and transforming the child care institution
- o Learn about the key steps of transformation and data collection tools to ensure a successful transformation
- o Practical and honest guidance on what works and what doesn't

SOCIAL ENTREPRENEURSHIP

Creating social change in the for-profit sector

In this age of data and technology, it's not enough just to gather information. The trick is gathering the right information and making sense of it. Partners love it, the success of programs depend on it, and this presentation will show you how to get it.

- o Overview of Miracle Foundation's core impact metrics and framework to measure improvement in quality of life and wellbeing
- o Technology used to streamline data collection and analysis
- o Practical and honest guidance on what works and what doesn't

ENDORSEMENTS

"Caroline was a guest on our podcast in the fall and she was incredibly engaging and had such a compelling story! In full transparency we stopped recording at the end and I was in tears because I was so deeply touched by the work she and her organization are doing! She is dynamic, engaging, and just a ton of fun to talk to!"

Erin N. Arnheim
 Legacy Collective, CEO

"Caroline was a pleasure to interview for my podcast 'Transform Your Workplace.' She has a remarkable ability to tell stories and speak from her heart. I highly recommend her for your next podcast interview."

Brandon Laws
 Host "Transform Your Workplace"

"I've heard Caroline give her origin story many times and I am always inspired by the genuine first-time emotion she brings to the telling. Every interview is the first interview, and after 20 years, that's amazing."
