OUR WORK

A Family for Every Child in Our Lifetime.

Ensuring Children Grow Up in a Safe, Stable Family

We are committed to ensuring that children stay with or are reunited with their biological families. Whether in foster care or orphanages, we provide tools and resources to help stabilize children and connect them to essential support when they need it most.

Eliminating the Need for Orphanages Globally

Miracle Foundation is part of a movement to reunite orphaned children with their families. Collectively, with partners all over the world, we believe we can end the need for orphanages in our lifetime.

Our decisions are made by partnering with and investing in people with care experience and expertise.

OUR 2024 **IMPACT**

20,453 CHILDREN

Directly Supported
Through Our Work

2,488 CHILDREN

Reunited With
Their Family

5,131 CHILDREN

Prevented From
Entering the System

13,143 FAMILIES

Supported Through
Our Programs

4,185 SOCIAL WORKFORCE

Trained to Better Care
For Children

LOOKING BACK AT 25 YEARS

Twenty-five years ago, I rocked a sweet little girl to sleep but when I went to put her in her bed, It was made of wood with no mattress. Hearing her bones against that wood broke my heart open. When I asked if I could provide mattresses for the whole orphanage, the director replied, “Can we start with clean water?” **That moment changed everything.**

What started as a simple gesture became a lifelong mission because every child is a miracle, just waiting for a solid foundation to stand on.

Today, that little girl, **Sheebani, has graduated from college.** And thanks to supporters like you, **tens of thousands more children** are growing up safe, supported, and in loving families. Together with our dedicated team, incredible CEO, and a global community of donors and partners, we’ve shifted systems, transforming the child welfare system.

You haven’t just believed in miracles, you’ve helped make them happen.

A photograph of two young children, a girl and a boy, sitting on a low, orange-painted concrete ledge. They are both wearing school uniforms: white short-sleeved shirts with dark blue collars and cuffs. The girl on the left is also wearing a dark blue skirt and a large blue backpack. The boy on the right is wearing dark blue shorts and a black backpack. Both children are smiling broadly at the camera. The background is a blurred outdoor setting with a building and some foliage. The text is overlaid on the bottom left of the image.

**“Don’t save me from my
family, save my family for me.”**

Kiran, a 9 year-old boy, who was prevented from
being separated from his family

HONORING OUR CHAMPIONS

DeeDee & Paul Stone

Our First Donors

Dee Dee and Paul Stone were our very first donors to Miracle Foundation and in March of 2003, Dee Dee and Paul Stone made a donation that saved Miracle Foundation from sinking, a generous check arrived just two months before we were set to run out of funds.

But their impact didn't stop there. Every year since, Dee Dee and Paul have continued their unwavering support. Their dedication and belief in our mission have kept our ship afloat and our hearts full. Here's to 25 years of miracles, and to the Stones for being the steady hands on our wheel year after year!

Alan Graham

Our First Board Chair

Alan Graham was our very first board member! He helped our founder, Caroline, navigate through our earliest days as an organization. Alan offered a simple but powerful piece of advice: to make a list of what we're great at and where we need help.

That clarity changed everything. He challenged us to focus on individual children. Most of all, he encouraged us to bring people to India, to let them witness the transformation with their own eyes. That guidance became part of our DNA. It shaped how we engage, how we build relationships, and how we create lasting change. Alan's vision helped lay the very foundation of Miracle Foundation.

OUR ACHIEVEMENTS

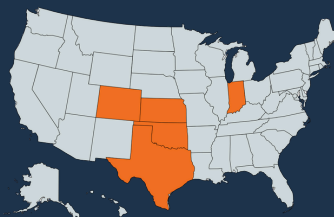

EXPANSION OF GLOBAL PARTNERSHIPS

This year, our global network of partners grew substantially.

In India, we continued our deep on-the-ground work reunifying children, strengthening families, and preventing separation whenever possible. We partnered with the Jharkhand government to focus specifically on prevention work, stabilizing the most vulnerable families so their children can remain safely at home.

In the U.S., we expanded our work into other states by working with additional child placement agencies and Medicaid healthcare providers to integrate ThriveWell into the foster care system of these new states.

And in East Africa, we launched pilot programs that lay the foundation for future growth across the continent, starting with collaborative efforts alongside the Kenyan government.

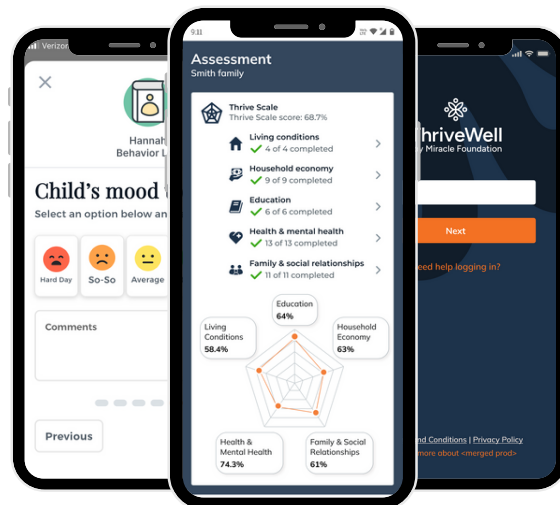

Every new partnership brings us closer to a world where every child has a safe, stable, and loving family.

OUR ACHIEVEMENTS

ONE POWERFUL TOOL

ThriveWell is changing lives across the globe, helping children in India, East Africa, and the U.S. grow up in safe, stable families with the support they need to thrive.

This platform gives social workers the ability to track well-being in real time and respond with the right support at the right moment. Using ThriveWell, organizations are making smarter decisions, and creating better outcomes, for children and families everywhere.

A LEADING VOICE IN A GLOBAL MOVEMENT

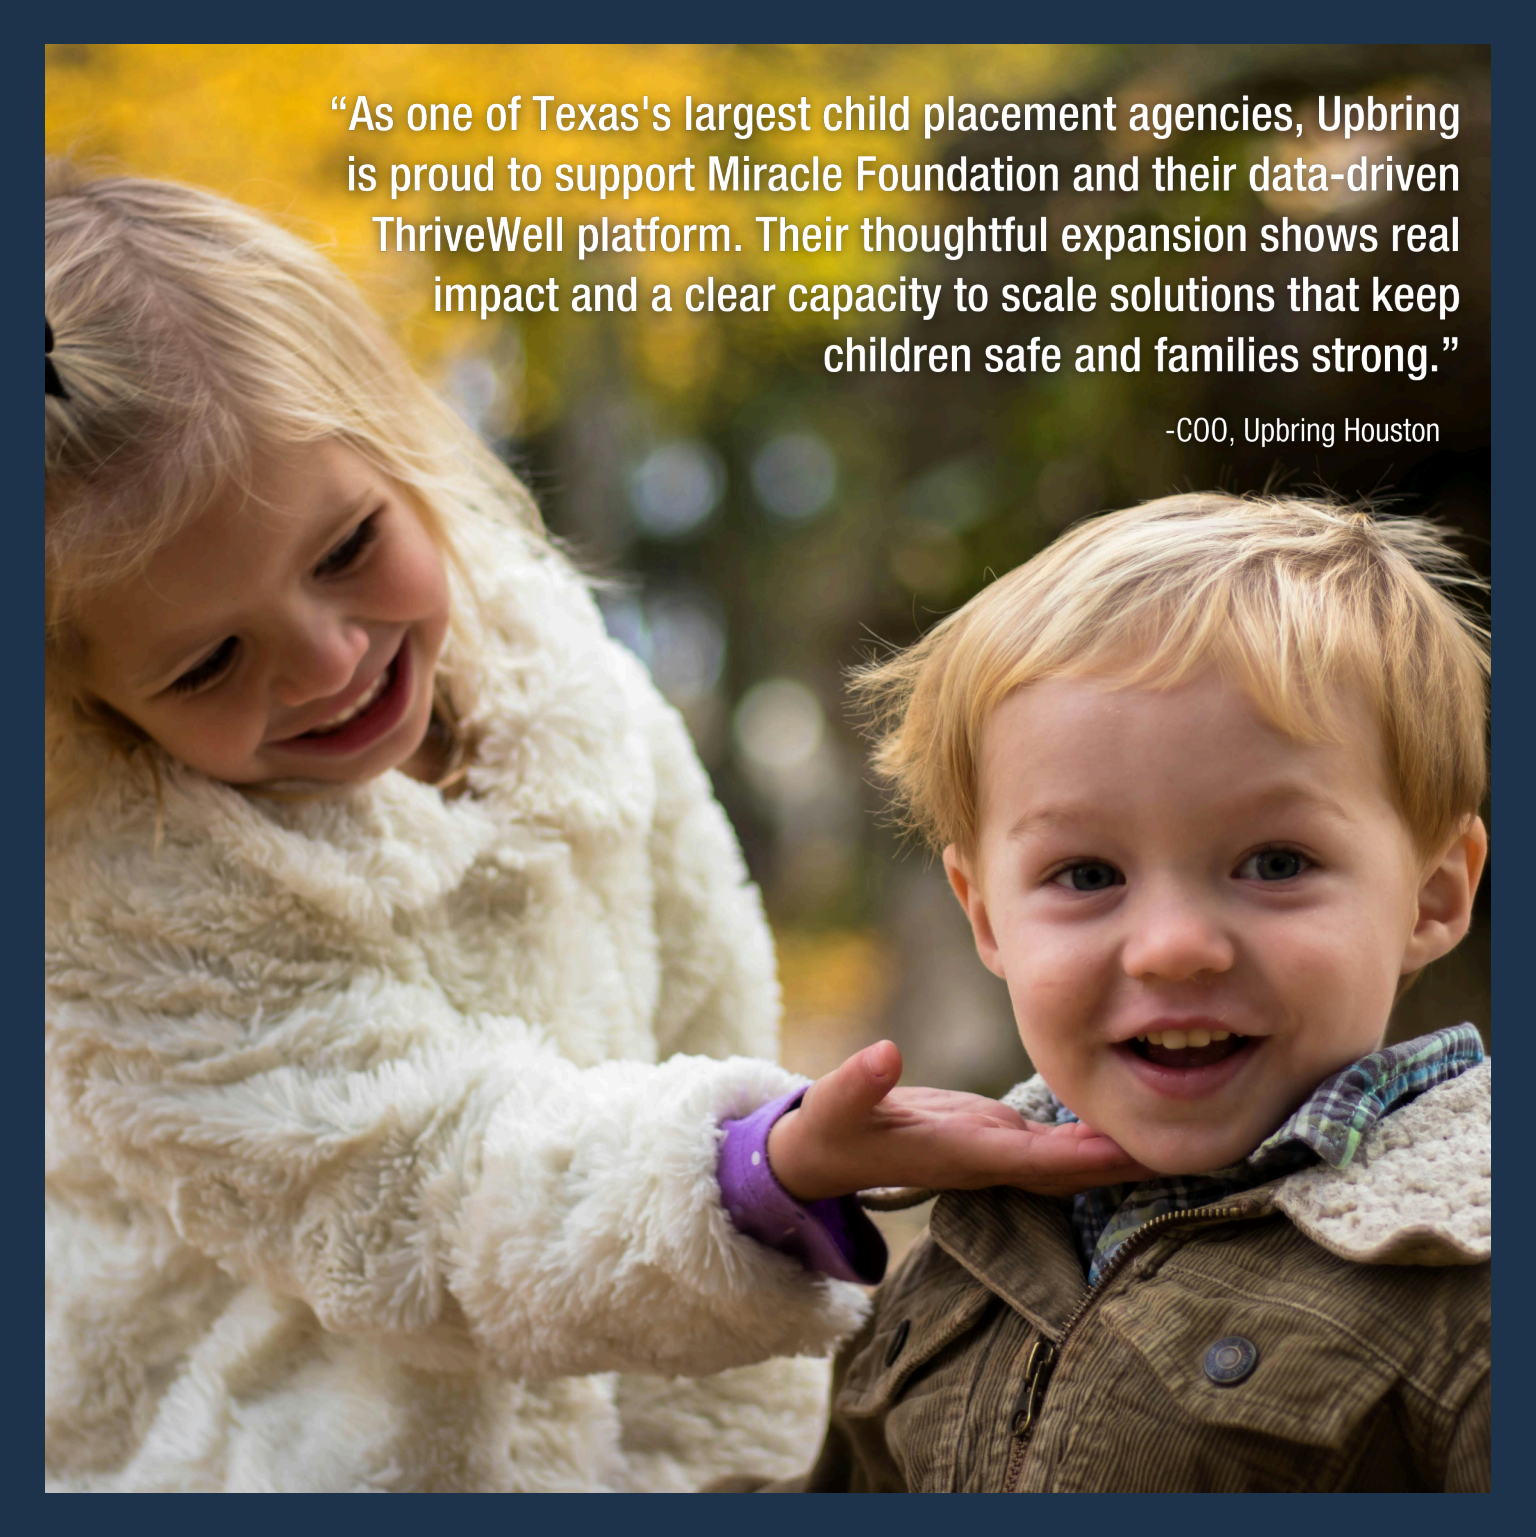

We hosted the inaugural National Family Summit in Delhi, India, convening policymakers, nonprofit leaders, and child welfare experts to craft bold, collaborative solutions for children and families.

12

articles published in leading international journals, sharing data-driven insights and raising the global standard of care for vulnerable children.

5

major conference speaking opportunities using our platform to champion systemic reform and the right of every child to grow up in a safe, loving family.

A photograph of two young children outdoors. On the left, a young girl with blonde hair is wearing a thick white fur coat and is smiling down towards a young boy on the right. The boy has blonde hair and is wearing a brown corduroy jacket over a plaid shirt. He is looking up at the girl with a wide smile. The background is a soft-focus outdoor scene with yellow and green foliage.

“As one of Texas's largest child placement agencies, Upbring is proud to support Miracle Foundation and their data-driven ThriveWell platform. Their thoughtful expansion shows real impact and a clear capacity to scale solutions that keep children safe and families strong.”

-COO, Upbring Houston

Our Miracle Village is a dedicated group of child advocates who share our vision of A Family For Every Child in Our Lifetime. Members commit to supporting vulnerable children with multi-year contributions at different giving levels.

Our fiscal year is from April 1st to March 31st.

We are recognized by charity watchdogs for fiscal responsibility and transparency

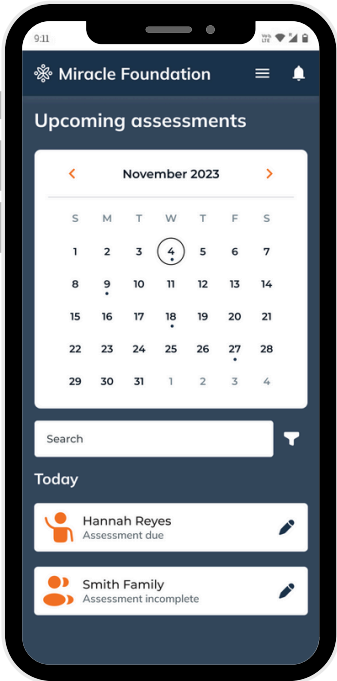

DONOR HIGHLIGHTS

For more than two decades, Love, Tito's has teamed up with Miracle Foundation to help advance our mission of empowering children to reach their full potential. Their consistent, heartfelt support is a cornerstone of our work. In addition to their generous annual gift, they have matched 10% of all donations throughout the year. This ongoing generosity fuels innovative solutions, reunites children with families, and strengthens the systems that keep families together for good. We're deeply grateful to our friends at Love, Tito's for their long-standing collaboration and unwavering belief in sustainable change that puts children and families first.

The Michael & Susan Dell Foundation (www.dell.org) builds pathways that change lives for people and communities around the world. Dedicated to creating measurable and sustainable impact, the foundation has invested \$2.8 billion to accelerate human opportunity globally.

A MESSAGE FROM OUR CEO

This year, Miracle Foundation celebrates 25 years of unwavering commitment to children and families around the world. This milestone is a powerful moment to pause, reflect, and refocus.

Over the past two and a half decades, we've walked alongside children without families, trained caregivers, empowered social workers, and reunited families. We've responded with compassion, urgency, and innovation. Through it all, one thing has become increasingly clear: If we want lasting change, we must fix the system.

The future depends on transforming the systems themselves. It's not enough to respond to symptoms. We must get to the root cause of why children enter, or remain in, systems that were never built to help them thrive. Our future is focused on upstream solutions: preventing separation, strengthening families, and reshaping the way child welfare is designed and delivered.

This is bold work. It requires collaboration across sectors, public-private partnerships, tech-enabled tools like our ThriveWell platform, and the belief that all children deserve not just a safe place to sleep, but the chance to thrive in a loving family.

As we look ahead to the next 25 years, we're not slowing down; we're going deeper. We're leveraging everything we've learned to build systems that work for families, not against them. Together, we can transform the way we support vulnerable children, not just in moments of crisis, but at every step of their journey. Thank you for standing with us, believing in this mission, and being part of this movement.

Leslie Beasley, CEO, Miracle Foundation
